Uganda's National Exams

In this issue:

- National Exams
- Student of the Month
- New Website
- GoodShop

The Uganda National Examinations Board tests students at three levels at the end of the calendar school year: Primary 7, Senior 4, and Senior 6. These exams are more than benchmarking; the results determine the students' qualifications to advance to the next stage of education. We provide our children with all the tools they need for success, including exam revision books. Whatever the individual outcomes, we are committed to supporting each student to the next level, whether it be academic or vocational training.

Student of the Month

Joan is thirteen years old and is in Senior 1 at Exodus College School (high school). On last year's Primary Leaving Exams, she scored in the highest division. This year she's topped our high school honor roll in both 1st and 2nd terms. On her latest report card, she earned Distinctions in seven of her fifteen subjects, including a 96% in History.

Joan

Joan's father died when she was four years old, leaving her mother with six children and an orphaned younger sister. Joan's mom is an accomplished seamstress so we assisted her with a sewing machine which enabled her to set up a cottage business. She now earns enough to feed the family and pay the rent. And, of course, the children are the best-dressed in the neighborhood!

The St. Nicholas Uganda Children's Fund supports over 240 orphans and vulnerable children in primary & secondary school, vocational & professional training, and university. We pay school fees and provide uniforms, shoes & socks, school supplies, meals, and health care. With your help, we can make a real difference in their young lives.
